

Ashby Farms has been providing quality self-catering accommodation for over 25 years. We offer country cottages and detached pine lodges set in bluebell woods overlooking 4 acres of water with a panoramic view of fields, woods and nearby unspoilt village. We are flexible and tailor your stay to your needs: from a relaxing weekend break to long lets (ideal for those in the process of moving homes).

Fishing is available year-round in our two beautiful lakes which contain Bream, Gudgeon, Roach, Rudd, Tench (up to 5lb.), Common and Mirror Carp (up to 31lb.), Perch (up to 5 3/4 lb). Rough Shooting (Rabbits, Pigeons, etc.) is also available on our farmland.

Ashford, only 40 minutes from London by rail, is less than 10 miles away. In the surrounding area there is lots to see and do: the sandy beaches of Camber are nearby as are many charming and historic towns such as Tenterden and Rye which offer many excellent restaurants and traditional pubs. The Rare Breeds Centre and Port Lympne Animal Park are within easy reach and well worth a visit, particularly for those with children to entertain.
